Community Open House

Once again we will open our school doors to the community on Sunday, January 31st from 1-3 p.m. Faculty, students, and parents will be on hand to give tours and answer questions. We ask your assistance in helping our school community grow and share our faith with those around us. If you know someone who may be interested in sending their children to St. Bridget School in the future, take the time and personally invite them to the open house. This is your chance to share how our parish and school are growing and flourishing! Each child of the school will hand make an invitation; please make sure they deliver it to someone who may be interested in our school.

Thank You!

A big THANK YOU to the parents and students of St. Bridget School for your donations to Haiti. We were able to collect close to \$500.00 in two days. Your generosity was greatly appreciated.

Mission

St. Bridget School will provide an excellent Catholic education in an environment where the message of Jesus Christ is taught, lived and shared.
